

SUNOCO ULTRATECH™

Jan 4th – April 3rd

The Sunoco brand campaign has been extended until April 3. Please keep up all POP until Tuesday, April 3.

The brand campaign has been extended through the end of March so we can continue to focus on building awareness around the benefits of Sunoco Ultratech™, our high detergent fuel blend, available across *all* grades of gasoline at *all* Sunoco stations.

Sunoco Ultratech™ meets the demanding specifications of the TOP TIER™ Detergent Gasoline Program. With the same detergent level as Sunoco NASCAR fuel, Sunoco Ultratech™ helps customer's cars run cleaner, long and more efficiently. Our TOP TIER fuel brand will continue to be supported with exciting POP featuring NASCAR and INDYCAR images that reinforce a strong performance message.
